Subject: Receipt of Additional Surety, Broken Arrow, Inc., Tule Valley Silica Mine,
S/027/0104, Millard County, Utah

Dear Mr. Bunn:

The Division of Oil, Gas and Mining has received your additional surety amount of \$5,100.00. The total surety amount for your Tule Valley Silica Mine is now \$25,100.00, and will enable you to disturb up to five acres of land with the mining and mining-related operations described in your Notice of Intention (NOI) to Commence Small Mining Operations. This surety adjustment applies for five years, and your surety is scheduled to be re-adjusted in February 2016 to account for future changes to reclamation costs.

The rules under which you are expected to operate and other information to assist you in complying with program requirements can be found on the Division's web page at <http://ogm.utah.gov/>. Thank you for your cooperation. If you have questions or concerns regarding this letter, please contact me at 801-538-5261 or Peter Brinton at 801-538-5258.

Sincerely,

Paul B. Baker
Minerals Program Manager
